FIRST CLASS MAIL

DECEMBER 1982

**A MESSAGE  
FROM THE  
PRESIDENT:**

CPS is blessed with members who not only are outstanding photographers willing to share their expertise to help the rest of us learn and improve, but are also very capable in many other fields. This knowledge too they use for the benefit of CPS. Our current school has been a great success. We are all aware of the hard work involved in promotion and operation. Behind all this, however, is the initial brochure which sets forth our offerings to potential students. Gathering the material for this, making the layouts, arranging for the printing, picking up the completed brochures, addressing and stuffing the envelopes required for distribution, and actually delivering these in person to specific persons who will see that they are given to interested people is a burdensome obligation. For several years now Norm Zickuhr has quietly assumed and accomplished all these tasks. We would like Norm to know that CPS deeply appreciates his work and thanks him for it.

Elva Hunting

P.S. - Also thanks for the terrific job of auctioneer at the annual CPS Auction.

**HOLIDAY  
DINNER  
PARTY:**

Don't forget to make your reservations and get your tickets for the CPS Holiday Party which will be held on Friday night, December 17, 1982. This year the food will be catered and the price is only \$6.50 per person. Happy hour will start at 6:30 and dinner will start promptly at 7:30. Bring a goofy gift for a fun exchange.

**ZOO NEEDS  
SLIDES:**

The Cleveland Zoo is putting together a slide show for their Exhibit Hall. They are looking for color slides of polar regions, coniferous forests, temperate forests, grasslands, deserts, tropical forests, mountains, islands, inland waters and oceans. The pictures do not need to have animals in them. The Zoo will cover the cost of duplication. For more information, call Emily Alexander, Education Specialist at the Zoo at 661-6500, extension 270.

**FREEMAN  
PATTERSON  
SEMINAR:**

Start planning now to attend the Freeman Patterson seminar, which will be held at the Natural History Museum on March 12, 1983. This treat is being sponsored by the Camera Guild and NBOCCC.

**INTERCLUB  
COMPETITION:**

The next NEOCCC competition will be Interclub - Pictorial to be held on January 11, 1983 at the Lewis Camera Club. Their deadline for entries is January 4, 1983; however, our competition chairmen will need your entries before that deadline. If you have slides or prints for consideration, see Ruth Morrison or Bob Tropea.

**MESSAGE  
FROM THE  
EDITOR:**

I was pleased to receive the note from Elva giving Norm Zickuhr some long over due recognition. In the Holiday Season which we are entering, the spirit of giving is stressed. However, members such as Norm give of themselves all year long. I would like to recite a litany naming those other special members who continually give of their time and energy so that CPS can exist, but, as careful as I might be, if I missed someone, I would be compounding the oversight; so --- I will leave it up to the membership. You know who does all of the work. When you see one of those generous people, tell them that you appreciate what they have done for CPS and give them your thanks. To those Special Folks, to all CPS members, to their families and to friends of CPS, I wish you all a Merry Christmas, A Happy Hanukkah and a Joyous New Year.
