PSA INTERNATIONAL SLIDE COMPETITION

The Cleveland Photographic Society as a club will be participating in the International Contemporary Club Slide Contests (ICCS). There will be 3 contemporary slide competitions; October, 1985; January, 1986; and April, 1986. The club may enter 6 slides for each competition. Medals and certificates will be awarded to the individual slidemaker. Certificates will, also, be awarded to the 5 clubs with the highest cumulative scores.

Contemporary photography depicts subjects in a departure from realism through the use of various non-standard techniques and controls. Examples are abstracts, semi-abstracts, derivations, diffraction, distortion, montages, multiple exposures, solarization and almost any thing else you can create. The purpose of using these techniques is to alter reality to the point that the picture is essentially unreal, non-objective or abstract in quality.

Slides must be submitted to Joe DiMarco no later than September 6, 1985. The board will choose the 6 slides to represent our club at the September Board Meeting.

Maria Zickuhr

FIELD TRIP - COVERED BRIDGES

Bob and Gretchen will be taking photographers to Amish Country on August 18. Starting point for the trip is the Golden Gate Shopping Center near "Cooks" at exit I-271 and Mayfield Road (Route 322). Departing time is 10:00am. BE THERE!!!

BOARDS

FIELD TRIP COMPETITION RULES

Manipulation of any kind: montages, etc. are not allowed. Weather conditions have been documented so don't put in a picture taken on a sun-filled day when in fact that particular day was cloudy. The above regulations are set forth so that even the novice and straight pictorial has an equal chance.

The above rules do not apply for the regular competitions you may enter throughout the year. Any manipulated shots taken on a field trip can be submitted in a regular competition as long as they follow the rules of that competition.

These field trips are intended to be a fun time. We come together to share our hobby with fellow members. Let's keep it that way for the sociability they produce far exceeds the few hours taken out of our personal endeavors.

Bob & Gretchen

HOCKING HILLS FIELD TRIP - UPDATE

We have just learned that Ray Poisson a recent member, and his wife, Maureen, have shucked the big city life and have purchased and are now operating the Top O' the Caves campground in the Hocking Hills area. It is located about one mile from both Ash Cave and the Buckeye Trail.

The Poissons' are planning to build a darkroom and accommodations so that Ray may offer workshops. Their land has an extensive area for nature photography and Ray has access to private land which has a cave similar to Ash Cave.

Among the attractions at the camp are a petting zoo, a restored 137 year old Wesleyan Church (Sunday services), Saturday Night hayrides, a swimming pool, horseshoe pits and an 80' long recreation barn.

They are very anxious to have field trips such as ours and we will be working out details to take advantage of their generosity. Watch for, and listen for, announcements on this. Their phone number is 614/385-6566.

PRINT SHOW

John Schietzelt will be displaying a print show in the CPS club during the months of August and September. Stop down and take a look.

CPS PICNIC

Everyone is invited to attend a club picnic at Edgewater Park on Sunday, September 8 at 12:00 noon. Don't miss out on a fun filled time. Bring lawn chairs and a picnic basket.

QUOTABLE "QUOTES"

"You grow up the day you have your first real laugh - at yourself."

Ethel Barrymore

MYSTERY FIELD TRIP

The July 21 mystery field trip has photographers shooting all over town. Participants picked their subject for photography out of a hat then ventured out to seek and shoot. Joe and Sarah Evanko, Carol Kocab, John Staszkowycz, Jerry Juskenas, Frank Otto and friend, and Bob & Marilyn Myers participated.

NEOCC

NEOCC Interclub Nature Prints and Slide Competition deadline for entry is September 13, 1985. Each maker may enter 2 prints and slides.

& EXPOSURE

This column features bits and pieces concerning information about club members and their vacation plans or anything else you would like to see in this column. Please send any interesting tid bits to the editor.

John & Bealah Schietzelt will be vacationing in England and Scotland.

Ruth Morrison will be heading to Las Vegas.

Maria & Norm & Rascal returned from a camping trip in West Virginia and the New River.

Chris & Jack Rogers moved to 3218 w. 116 in Cleveland.

CPS sends condolence to Tom Litzler. His brother passed away recently

IT'S NOT TOO EARLY

It's not too early to start shooting your winning slides and prints for next year's special competitions. We will have four of them in 1986.

On February 14, 1986, we will have a special Valentine's Day Competition. All entries will have the title: "LOVE". Let your imaginations run wild in pictorializing the theme of love. Each member will be able to enter two slides and/or prints (black & white or color). Entries MUST be taken after June 1, 1985. Instead of the customary 3 judges, we will have the entire audience judge. Special awards and refreshments will be a highlight.

On May 2, 1986 we will have our annual Photojournalism night. Again, slides and/or prints may be entered.

May 16, 1986 will be our Photo Essay/Travelette competition. Because of the time factor in putting together a presentation, now is the time to get started!

On May 30, 1986 we will be renewing the Field-Trip Competition. To be eligible, prints and slides must be taken at any of our 1985-86 field trips. See the Tropea's for any field trip information.

Please take note: All of these competitions are open to both prints and slides. Print entries have dropped off in the past couple of years....so come on, printers!

One last thing: In the new schedule coming out in July, you will notice several program nights with special presentations by photographers from outside and within CPS. We want to encourage your attendance. They will be both informative and entertaining. We, the Special Program Committee, hope you enjoy them.

Joe Evanko

PRESIDENT'S CORNER

The transition process has now been completed. Each committee has met and developed their goals, objectives and strategies. The committee chairmen have presented a formal report to the Board of Trustees. Competition rules have been approved, our program has been completed and our membership roster is updated and current. The contribution of each committee member, together with the leadership of the chairmen, determines our effectiveness. So far, the energy put forth has been fantastic. That spark of enthusiasm which I spoke of in May is becoming contagious. Your input has helped set this new direction and focus.
