PRESIDENT'S MESSAGE

At our Annual Awards banquet May 10th, our President, Joe Evanko, gave the traditional inauguration speech. This being our centennial year, Joe outlined the objectives of our Society and his plan of attack for a successful year. For those of you who weren't at the banquet, here are the highlights of what "our leader" had to say:

"Our objectives for this Society are to promote interest in photography; both as a career and/or a hobby, and to further fellowship among our members. These are the objectives of CPS as spelled out in our constitution."

Joe asked ALL members to be friendly, encouraging and helpful to our newer members. Our future depends on them! A Centennial Committee will be appointed soon. Any interested members are welcome to get involved.

We will be starting Wednesday Workshops in June. These will be for education, critiqueing, discussion, or whatever; and will be for members ONLY. Joe would like to see these eventually scheduled 2 nights a month.

The interest shown this past year's Special Program nights was very encouraging, and will continue with Greg Toth as Chairman.

The School of Photography that is held twice a year desperately NEEDS MORE INVOLVEMENT from our members. Without the school, we would NOT have our own clubroom facility. Joe's main concern is that we may burn-out the handful of members that have been the backbone of the school to date. Any help you can offer will be greatly appreciated.

"In closing, I would like to appeal to the ENTIRE membership to GET INVOLVED with the operation of The Cleveland Photographic Society. Every little bit helps. I will post a list of all committee chairpersons. Give them a call...offer your help and/or suggestions. Together we can have a successful, memorable, and FUN Centennial year!"

These are our new officers:

Congratulations to Frank Otto and the Tropeas for receiving the CPS Distinguished Service Award. These awards were presented by Maria Zickuhr at our annual banquet, citing their many accomplishments and contributions to CPS.

Frank, Bob & Gretchen have served The Cleveland Photographic Society in many different and varied ways in past years and we are all grateful for their contributions. They truly earned and deserve this special recognition.

DID YOU HEAR ??

Joe Brilla suffered a mild heart attack the end of April. We missed you at the banquet, Joe; and hope you're feeling better real soon.

Carol Kocab had 4 prints accepted in the annual Lakeland Student Photo Show. She won 3rd place, and an Honorable Mention. Way to go, Carol!

We were sad to hear Emmett Hoy has just come home from a month-long stay in the hospital. Emmett had surgery for cancer of the esophagus. He is getting stronger every day, and we hope its not too long before we see him at the clubrooms. Get well soon, Emmett.

Leroy Dierker's son, Greg, has been hospitalized for the past several months in Minnesota where he is undergoing therapy for leukemia. He's doing better now, and is anxious to return home. As is Leroy, we're sure! All that commuting back and forth has to be HARD!!

"What do you mean, you forgot to put film in it?!"

NEW MEMBERS

The Cleveland Photographic Society is proud to welcome 7 new members to our club. They are:

- Albert Peebles & daughter, Christine - Lakewood
- Michael Branczek - Cleveland
- John Dunlavy - N. Olmsted
- Paul Cook - Wakeman
- Ms. Frankie Leighton - Euclid
- Cecil Ramnanan - Orange

We hope they will become involved with some of the many activities we offer and will become familiar faces.

Besides the usual year-end awards presented at the annual banquet, Eltha Bartels had 2 VERY SPECIAL awards in the Nature Slide Division.

In recognition of his outstanding identification of nature slide subjects, Gerry Juskenas was presented with the "GIGUNDO FLORIBUNDA AWARD".

A similar award, "DAMN BIG POSEY", went to our projectionist, Bill Bullock for his fearless attempts to pronounce any and all Latin names.
