CPS Membership Dues Now Due

In an effort to cut postage expenses, notices for 1995 dues will not be mailed out. So, consider this your dues notice. The amount hasn't changed, it is still \$40.00 for singles and \$50.00 for couples. To ensure continued CPS membership please mail payments before January 16th. Make checks out to the Cleveland Photographic Society and mail them to the Society at Post Office Box 347025, Cleveland, Ohio 44134. If you are having problems with finances and are unable to pay the dues on time, please contact Bill Gance at club meetings or call him at home (419/945-2103).

Active members may pick up their 1995 membership cards at the clubroom. Inactive members will have the cards mailed to their homes. So that we may continue our unbroken history at CPS and to retain our clubroom we need your continued support. 

Juskenas Retires from Club Duties

Gerry Juskenas, the Darkroom Door's circulation manager, has announced that he will be retiring from that position as of December 31st. He has handled the job since 1971! During the past 24 years, Juskenas has faithfully overseen distribution of this journal at club meetings and he mailed copies to those who weren't able to attend. Over that long period of time Gerry kept up with the latest technology for addressing the mailing starting with a typewriter, advancing to addressograph plates, then on to computer-generated self-stick labels. His services will be missed. The Board is currently looking for someone to assume the position of circulation manager after January 1st. 

CPS Holiday Party

Tickets for the CPS Holiday Party must be purchased before December 2nd, so if you haven't obtained yours yet please contact Robin Penca at 932-6227 or pick them up at the clubroom on that date. We have to notify the catering company so they can provide the correct number of meals. Space is limited and we have more than 35 seats already reserved.

The Holiday Party will be held on Friday, December 9th. Happy hour is between 6:30 and 7:30, followed by a sit-down meal. That, in turn, will be followed by our traditional Robber's Gift Exchange. Don't miss any of the fun! 

3-D Photography Tryout

Member interest in stereo photography is high since Jim Wheeler's October 28th workshop on the subject. As the result, the Board has decided to plan a special night to allow members who are experimenting with this method to bring their slides down to the clubroom to have them projected and viewed. The date is Wednesday, February 8th at 8:00-p.m.

Creating 3-D images will be an exciting and challenging winter project, so we urge all club members who attended the course to try to have something to view by the date in early February. Bring your own polarized viewing glasses if you have them. A few extra pairs will be available at the clubroom for \$1 each.
