CPS NEWS LETTER JULY 1981

**NOTICE:** This issue is one of 2 scaled down newsletters which will be published this year to help us stay within our budget. We will resume with the regular "Through The Darkroom Door" format in August. Deadline for getting news in the August issue is July 24.

**PICTORIAL SLIDE CORRECTION:** The Pictorial Slide Chairmen would like to apologize for the mixup on our first competition night of the 1981-82 season. This has been corrected. Competition rules limit entries to two (2) slides per maker each competition month. Thank you,

George Fowler

**WELCOME:** We are pleased to welcome Thomas Edwards of Bay Village as a new member of CPS. Tom's membership was approved by the board of trustees at their June Meeting.

**FIELD TRIPS:** Club Vice-President, Ray Poisson is looking for field trip ideas and leaders. If you have an idea for a field trip and are able to coordinate the arrangements (meeting place, starting time, etc.), please volunteer. If each member only leads one field trip, our calendar would be filled until 1990. Please help share the load and also share your favorite spot to visit.

**THANKS TO KOLBY'S:** Our apologies to Kolby's Photo Supplies for failing to mention their donation of a door prize awarded at our annual banquet. Kolby's has been a faithful advertiser in our club bulletin and a good friend to CPS. We thank them for the photo album, which was won by Sam Aversano.

**LATE NEWS:** Due to an editorial oversight, we failed to list Cliff & Jo Rosser's very creative entry in the Photo Essay competition. Their presentation, "Portugese Legend of the Almond Blossom" was a real treat.

**NEED NEOCCC ENTRIES:** We want to re-establish our winning record in the Camera Club Council competitions. To do this we need your entries. A schedule of NEOCCC competitions will be posted at the club, but don't wait. Talk to one of the competition chairmen. Earn yourself and your club some well deserved recognition among the other camera clubs.

**GOTTCHA:** The Brooks Institute of Photography (Calif.) is using 3 humorous slides created by Joe Brilla to keep students attention. Joe's slides - "First Aid", "Who Goofed Mother" and "The Flasher" are little surprises planted in a 35 minute classroom slide presentation.

**HOSTING:** Everyone should be a refreshment Host at least once a year. There's nothing to it! The club furnishes the coffee and tea. Just bake or buy some tasty treats and get reimbursed after the meeting. The sign-up sheet is always posted on the bulletin board. Do it now.
