**SPRING
NATURE
SEMINAR:**

CPS will be sponsoring a Nature Photography Seminar on March 20, 1982. Guest Speakers will be Michigan nature photographers John Shaw and Larry West. Both of these men have had their pictures in national magazines such as The Audubon and National Wildlife. This will be one of the largest projects our club has attempted in recent history. The help of every member will be needed to make this a success. Please say YES when you are asked to pitch-in. Details will be announced soon.

FIELD TRIP:

George and Lois Avram will be our guides for an indoor field trip on Sunday, January 17, 1982. They will take us on a tour of some shopping malls that have interesting photographic subjects. Details will be provided in the January Darkroom Door.

**SCHOOL
