## Competition and Chair Changes

There will be three Photojournalism competitions in the club's 1994/95 calendar year. What comprises an award-winning photojournalism slide or print? The picture should be able to answer the questions: who, what, when, where, and why. It doesn't have to be exceptionally artistic, but impact is very important. So, try to make it a grabber! Get ready, because our first competition is July 29th.

Something extra, interesting, and even fun is being added to our Pictorial Slide competitions. Starting August 3rd there will be a "Special Subject" category. This is in addition to the regular Class A and B "open subject" groups which are judged for points and then critiqued. The special subject will be critiqued by the judges, then a top-secret audience vote will determine the winners of valuable prizes (employees of the Adonis Escort & Dating Service are ineligible).

Criteria for the voting depend on the subject... and whims of the section chair people. The special subject for August 5th is: *Inside Out*.

The People and Creative competition evenings with Jerry Penca — chairman for a number of years — have generated a great deal of enthusiasm and creativity. This year, however, Jerry has asked that we find others to chair these evenings. Although Jerry is a hard act to follow, the following members have agreed to chair those divisions in 1994/95:

- People — Eileen Wheeler
- Creative — Janice Kushner and Peter Wise.

### Let's Go to the Races!

Paul and Mary Kruger are again having a field trip to Norwalk Raceway Park. Mark your calendars! It will be held on Saturday, August 20th, from 2:00 p.m. until ??? Plan to bring the following:

- Camera, flash, and lots of high-speed film
- Sun Screen if you need it
- A sweater or jacket.

They will provide maps to help you find your way — all the way to the air-conditioned VIP room in the tower. There food and soft drinks will be waiting. And if you don't like that spread, the track snack bar will take care of you with pizza, burgers, and their *B/B ice-cream cone*, one pound of your favorite flavor for just one dollar!

You'll be able to visit the pit and the timing tower, and maybe try your car in the quarter mile. Check in with Paul at the starting line first, so you don't put yourself in a dangerous spot.
