Coming: Pictorial Slide Special Subjects

After weeks of study, days of discussions, and many hours of watching Hogan's Heros reruns, the Pictorial Slide Competition chairpeople have chosen the topic for the "Special Subjects" judging which will be held immediately after regularly-scheduled Pictorial Slide programs. These special-subject competitions will be conducted throughout the balance of the 1994-95 club year, so get shooting and get creative!

Each club member can enter one slide per night in this special category, preferably one which gives their own interpretation of the following subjects:

- August 5th..... Inside Out
- October 7th Pink (also special beer tasting after the competition!)
- December 2nd..... Attack of the 50-foot ????? (you select the subject)
- January 6th..... Doors
- March 3rd..... Scum
- April 28th..... Parmesan Cheese.

Although entries will only be critiqued by the judges, terrific prizes will be awarded based on an audience vote. These Special Subject slides will be eligible for entry in the Year-End Competition under a Special Subject category and could win some kind of special year-end awards... which are yet to be dreamed up. (Isn't that special?) ALSO — after the competition on October 7th, the Pictorial Slide Competition chairpeople, Doug Kerner and Lori Fundak, will host a BEER TASTING! Don't miss this one! ❧

PSA a Good Buy!

by Peter Perry

Incourage members to periodically review the usefulness of PSA (Photographic Society of America) membership. Not only does the \$40.00 annual dues gain you access to the International Exhibit circuit and the somewhat lower-level International Color Slide and Nature Slide Competitions, membership also opens several enriching programs to you. These include:

- Kodak educational slide tapes — 17 titles
- Capsule instruction — sets for special interests
- Slide evaluation service
- Slide study groups
- Nature-study subject identification, etc.

PSA is one of the better buys for serious photographers. ❧

We're Going to the Races!

On August 20th, with Paul and Mary Kruger as hosts, CPS will be having a field trip to Norwalk Raceway Park. Those who are interested in attending should contact the Krugers for tickets — which are \$8 each — AS SOON AS POSSIBLE. Please refer to the July Darkroom Door for more details. ❧

AUGUST ACTIVITIES
