School of Photography Begins 74th Year!

Registration for the Fall session of CPS' School of Photography is now underway. Two courses are offered. They are: Fundamentals of Photography and Darkroom Techniques. Fundamentals Classes begin on Tuesday, September 13th and Darkroom classes start on Thursday, September 15th. Each class is held once a week for ten consecutive weeks.

The Fundamentals course covers: camera familiarization, composition, how to use common lenses, qualities of light, proper exposure, closeups, portraiture, low-light/flash, and creative techniques. It also includes a darkroom demonstration and a field trip. The cost is \$75.

The Darkroom course covers B&W film developing and printing, as well as color printing and balancing. The \$85 tuition for this hands-on class includes the cost of chemicals and paper. Students supply the film and developing tanks.

If you haven't attended these classes before, why not sign up... and tell your friends about it? We have registration forms at the clubroom. For more information call Jo Ann Mosier at 341-5540 or Nancy Burns at 729-3314.

Ashtabula County Covered-Bridge Field Trip Slated

We've hired a bus to take interested club members to photograph four Ashtabula County covered bridges (hopefully) in full Autumn splendor. Please note that THIS IS A CHANGE from the date originally scheduled — October 8th — to avoid the crowds on *Covered Bridge Day*. The new scheduled date is **Saturday, October 15th**. To catch the autumn color in morning light, the bus will depart the clubroom at 6:15-a.m. and will return in the early afternoon. For reservations, make out your check for \$20 per person to the Cleveland Photographic Society and give it to John Filson or mail it to him at 2434 Princeton Rd., Cleveland Hts., OH 44118.

Reservations are limited to the first 23 who sign up, so hurry and register to reserve your seat! Deadline for check in hand is September 30th. (Initially) reservations are limited to CPS members plus one guest per member. Phone reservations won't be accepted. For more information call John at 321-8730.

Competition Rules Changes

Members are urged to carefully examine the revised competition rules, available from members of the Board of Trustees. In each category (Pictorial, Nature General, Nature Zoology, People, Creative) it is best to carefully review the following requirements:

- Medium — slides or prints
- Photographer proficiency level — A or B
- Past success of the entry — be careful of this one
- Frequency of showing an image
- Presentation methods — print matting and slide marking
- Print creation — self-made or commercial
- Use of titles
- Number of judges
- Where judges may be recruited from
- Class membership in CPS.
