NEW EDITOR

NEW FORMAT

FOR NOW

The Board of Trustees has looked but not found a new Editor for the DRD. So, for now Peter Perry will produce a barebones predigital issue, somewhat advanced beyond the mimeograph, with no pictures, probably confined to one page, two sides.

The search continues. Perhaps the appearance of this effort will attract the attention and participation of a member with computer hardware, especially since the club has all the software needed. That member will handle the monthly production and distribution with Peter Perry willing to continue gathering the copy. He is reached at 330-721-3103.

COMING EVENTS

Close-up Photography Nov 10.

Jim Kunkle with assists from Bert Klein, Doug Kerner and Maria Kaiser offers a How-To workshop. Instruction, then 2-3 set-ups with assistance from all four. Equipment will be provided that will fit a variety of lens' and by all means bring what you may have.

Polaroid Transfer Nov 13.

Death in Doug Cox's family postponed his presentation to this date. Fee is \$30 payable to Doug Kerner at 216-521-3453. All materials will be provided.

Commercial Photography Jan 26.

Greg Hildebrand, long time Clevelander, talks about and shows his commercial work. This replaces the Theme Night, which have not been well attended previously.

CPS

in Twinsburg Library

Lana Kuhns, CPS Board Member, reports she has secured space for CPS members to show their prints at the Twinsburg Library in February. She stresses that since this is a club effort she solicits three prints from a member, selfmade or commercial, digital or wet chemistry. She needs the equivalent of 30 11x14 mounts, 12 framed and wired, 18 matted for a casement. If the members oversubscribe she will pick the entries shown. Contact Lana at 330-562-4135.

She reports that CPS had a two weeks show in October in the same library. Members and the Club's Archives put in 18 prints.

NEOCC NATURE CLUB COMPETITION

Just to remind everyone that the competition will be held at the Seiberling Naturtorium on Dec. 3rd. I will be submitting the best 10 slides and prints for this competition. Please submit your best to me by Nov 17. There is a large box marked NEOCC in the clubroom.

MEMBERS IN JURIED SHOWS

Michelle Kovach placed two prints in the Sept Baycrafter multimedia show, one of which won a Certificate of Merit. She also has two in the current JCC-Cleveland Hts show. Peter Perry placed one print each in these two shows. The JCC show ends Dec 15. The DRD will report other members in the JCC show as they become known.

IN MEMORIAM

There have been two recent losses in the CPS Family. We offer their families our condolences and sympathy.

Joan Cotleur died Oct 21. Joan joined CPS in 1997. She won many points in Nature Slide and Print competitions before her final illness. A Memorial Service will be held Nov 4 at St. Christopher Church, 20141 Detroit Rd., Rocky River.

Norman Cooney's son recently died unexpectedly. We regret having no further details at press time.

Ruth Morrison

Late reports indicate that Ruth is looking about for Home Health care to keep her in her house. She likes to hear from members but cautions them that she stays some days of the week with her sister and her answering machine works erratically. Her number is 216-961-8817. Address: 1315 W. 104 St. Cleveland 44102-1503.
