Inter-Club Competitions

We have for the past couple of years been holding an annual "Challenge" with Lakewood Photographic Society. Recently I received an e-mail from Western Reserve Photographic Society. They indicated they are maintaining an e-mail list of former NEOCCC clubs. Some of these clubs are interested in having competitions with other clubs. Akron Metroparks Photo Club sent a request to Western Reserve that they are looking for any other clubs who might be interested in an inter-club competition. They would like to invite any of these clubs to participate in a competition. I will in the next few weeks try to see if there is enough interest with our club members in having an occasional inter-club competition with them. If there is enough interest, I will contact Akron's president and we can try to arrange something.
